

January Bushnell Chamber meeting

Bushnell Chamber of Commerce had a meeting on Wednesday January 17th at noon at Rosy's Pizza. There were 6 perspective members in attendance. Renee gave the treasurer's report of \$17,769.49 as of January 8th 2024. The CD that is at Raritan State Bank needs to have two signatures. The rate is 4.85% with APY of 4.97% for 13 months. Renee and Holly will sign the CD. Holly moved to approve the treasurer's report and Lynn seconded the motion.

Moving on to new business: Jessie mentioned she is loading everything to Google Docs. She made a flyer-postcard for the membership mingle. The card will be mailed closer to the date to perspective members. Everyone passed it around and said that it looked great. There was a discussion on what information to have available for new members that evening. A membership table listing benefits of being a member, updated list of recent businesses/Chamber Directory, and a promotional table filled with ideas that members could vote on. The Chamber Mingle will be at the Bushnell VFW on February 27th from 4:30-6:30pm. Holly will ask Carole Watson if she would make appetizers for the event. The next meeting will be on February 7th at noon at Rosemary and Rust.
